Neighborhood Halloween Hayride

Calling all little ghosts and goblins!

Wear your costume whether sweet or scary; all are welcome every ghost or fairy. Please be our 'ghost' at the Neighborhood Halloween Hay Ride. The spooky outing will take place on Wednesday, October 31st at 6:30pm sharp! All the little ghosts and goblins can gather at the *scary* location of their choice; **1)** The cul-de-sac on Sunny Hill Drive – the route for this hayride will be Sunny Hill Drive to North Ridge Drive turn right onto North Ridge Circle and end at starting point, **2)** Corner of Carolyn Court and North Ridge Circle – don't forget to trick-or-treat at the houses on Carolyn Court before the *spooktacular* hayride begins. This route will go completely around North Ridge Circle only, will end at the starting point.

The neighbors are encouraged to set up your trick-or-treating station at the end of your driveway to facilitate the hayride experience for the little ones. Thank you in advance for your cooperation.

What does 25 mean to you?

Other than the fact most of us wish we were that young again; it's actually the **maximum** speed that you should be driving through the neighborhood, hence the signs that say Speed Limit 25!

Heart Notes

Heart Notes is a resource page that will include information on different subjects. If you would like to submit to this column please send articles or ideas to brian-nancy@insightbb.com. ♥

Get to Know Your Neighbors

Would you like to see more community in our neighborhood? How about joining or starting a book club, bible study, kids club, Bunco night, dinner divas or a lunch bunch. If you're interested in any of the above send me an email and we can begin to get to know the neighbors in our North Ridge Farms community.

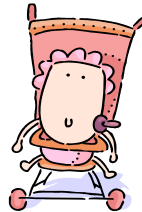

Another way to get to know your neighbors is by volunteering together. I would like to get a group together who would be interested in volunteering at the **Ronald McDonald House** downtown. Depending on the amount of neighbors who are interested we could do it once a month, once a quarter, or twice a year. If you have any questions or if you're interested in volunteering please email me at brian-nancy@insightbb.com. ♥

Holiday Travel

If your holiday plans include flying, be sure to pack a few activities in your carry-on to keep the kids happy during the flight. Consider these easy-to-pack hard-to-lose goodies:

Ages 2-5

- Play-Doh
- A mini MagnoDoodle or
- Etch-A-Sketch
- Kids' CDs and a player

Ages 6-10

- Books on tape and a walkman
- Card games
- Travel-sized games

Leave at home anything that's bulky, heavy, or has lots of pieces. And don't forget to pack extra diapers and wipes for babies and plenty of water and snacks for everyone. Find more great tips at www.flyingwithkids.com♥

Vandalism

Our subdivision has experienced some vandalism and theft this week (fall break maybe a contributor). Several mailbox address plates were literal *ripped off* mailboxes and someone stole Halloween decorations in the rain! Please keep a look out for anything suspicious and call the police if needed.
