## Horsing Around!

Over the past couple of weeks we have had someone secretly decorate the horse at the front entrance. The board has not approved this action and it is considered vandalism. The Easter decorations might have been considered cute by some but others viewed it as a joke; no harm done to the horse. However, the April fool's prank included packaging and/or duct tape, which removed some of the finish on the horse. Additionally, playing around on the horse in the middle of the night poses a liability issue for us. We are asking for your cooperation. If you have any information please email any of the board members and we will follow up. The association has put a lot of effort into making the front entrance something **we all** can take pride in – why make us the laughing stock along Hwy. 22? Additional incidents will warrant possible legal action to protect our investment. Thank you.

The following businesses have donated items to the NRFHOA for the benefit of the neighborhood. Please patronize their business if you're in need of their service.
