## Locust Grove Elementary Walkers

At one of the Locust Grove meetings the principal was asked if NRF children could walk to school. She replied that this would not be a problem. Any interested parents of walkers should contact Debra Abukwaik at 265-0109 or [Dabukwaik@Yahoo.com](mailto:Dabukwaik@Yahoo.com) so that we can arrange to have the children walk in little groups and have parents keeping their eyes on them along the route. We also need to organize a crossing guard in order for the children to be able to safely cross the street on the school property. (Buses and car pooling parents will keep this road busy). Obviously, in this time of budget cuts, constant new schools and high gas costs the school district cannot provide for a crossing guard for our subdivision. **We hope to pull in the majority of the volunteers from middle school students who might need to earn volunteer credits.** Any interested middle schoolers please contact Ms. Abukwaik. We will not know the bus schedule until August so on rainy or very cold days maybe we could also organize car pools.

## **What's Up With That?**

Why are reminders concerning by-laws and restriction violations put in the newsletter? How many homeowners know where their hard copy of the by-laws and deed restrictions are located? Not too many (if any) homeowners are current on all the by-laws or restrictions and it is the Boards responsibility to enforce the “rules” that have already been established. We put reminders in the newsletter as a courtesy to homeowners who may be in violation and are unaware of it. The general newsletter reminder is all that is needed in some cases.

The following businesses have donated items to the NRFHOA for the benefit of the neighborhood. Please patronize their business if you're in need of their service.
