HOMEFRONT NEWS

North Ridge Farms Neighborhood Newsletter

"North Ridge Farms is a restriction protected community striving through its association to protect the integrity and beauty of the neighborhood."

May 2009

Over the past several months there have been instances where cars have driven around the gate leading into the neighboring schools. This activity is disrespectful to our neighbors yards as well as dangerous to the children walking to and from school. Please take the time to use the correct route when going to the schools.

YARD SALE... YARD SALE...

Start cleaning your closets! The bi-annual neighborhood yard sale is May 16 , 2009 from 8:00 am - ? (rain or shine). Ads will be placed in the Courier-Journal, The Oldham Era and the Marketplace Newsletter. We are also hanging five signs that will be placed strategically around the area.

Burning On Your Property

If you are planning on having a bonfire, Oldham County requires you to call the non-emergency phone number at 222-0111 and let them know in advance. This will alleviate the fire department's need to make unnecessary runs if someone were to call in the fire as an emergency.

ROAMING DOGS

Roaming dogs have become an increasing problem in the neighborhood. Please keep your animals properly contained either behind a fence or on a leash. No one wants to be confronted by another dog while walking nor do they want other animals using their yard as their personal bathroom.

WEEDS BE GONE!

As previous written in the April Newsletter, we all wish it could be easy, unfortunately with the nice weather (and rain) comes more work for each of us. Living in a subdivision, it is up to each of us to do our part maintaining our own yards. Please take a few moments to look over the restrictions regarding the responsibility for each property owner. Restriction 29 is summarized below:

29. All shrubs, trees, grass, and plantings of every kind shall be kept well maintained, and properly cultivated...All lots shall be properly cut and maintained...If any owner fails to mow his/her lot, the Association reserves the right to mow it and charge the owner the prevailing market price for mowing.

LOUD MUSIC

Please be aware that loud music while entering the neighborhood can be disturbing to your neighbors. Please take note of this and be courteous of others.
