The board would like to thank all of our residents for an outstanding year and for making our's one of the best neighborhoods in Oldham County! Our goal for 2012 is to make improvements that will protect the value of our homes and maintain a safe neighborhood. One of the projects for next year is new LED lights for the front entrance. Currently, there are many broken light fixtures and the replacement costs are steadily increasing. These new LED Lights will greatly lower costs (each one lasts 50,000 hours with no bulbs to replace) .Thanks to NRF resident, Bob Widman for stepping-up to help us with consulting and installation. We are on target to complete this project by late Spring.
