Projects:

One of the projects for this year is new LED lights for the front entrance. Currently, there are many broken light fixtures and the replacement costs are steadily increasing. These new LED Lights will greatly lower costs (each one lasts 50,000 hours with no bulbs to replace) .We are on target to complete this project by late Spring.

Annual Meeting:

The Annual Meeting will be held this year at the end of April. More details to follow in the coming months.

Board Members Needed:

We are looking for a few residents to join us to help keep this the best neighborhood in Oldham County. Please contact one of the current board members if you are interested.
